

# POST-PROFESSIONAL AT PROGRAM

## GRADUATE ASSISTANT ATHLETIC TRAINING POSITIONS

### STARTING: 2022-2023

#### Background

The Post-Professional Graduate Athletic Training Program in the Department of Exercise Science, Arnold School of Public Health is seeking athletic trainers interested in pursuing a Master's degree. We have several graduate assistant (GA) positions open for the Summer 2022. Positions will provide athletic training services within UofSC Athletics, UofSC Campus Recreation, UofSC University Health & Wellness Center, local high schools, local middle schools, Orthopedic Office, youth sports, UofSC ballet and marching band, and local colleges and universities. Each position is a 12-month (1st Year) and 10.5 months (2nd Year) appointment (renewable for 2 years), starting July 8, 2022. The current GA package with stipend and tuition starts ~\$21,500 (amount includes stipend & tuition), with the opportunity to provide athletic training services with our summer sports camps (additional pay in the summer). #### Program Mission

1. Provide GA with a variety of quality clinical experiences (e.g., all GAs will have a minimum of 2 diverse clinical experiences);
2. Provide GA with the opportunity to be an athletic training educator (GAs will serve as a preceptor and have the opportunity to be a Teaching Assistant in our CAATE-accredited professional AT Program); and
3. Provide GA's with research experience via database research project/thesis.

Other aspects of our program include; an advanced clinical skills course; involvement in our Graduate South Carolina Athletic Training Organization, additional clinical experiences with the professional and collegiate ballet and industrial settings; and opportunities to have local, regional, and national presentations and publications.

#### Qualifications

Applicants must be BOC certified by July 8, 2022, eligible for South Carolina State Certification, and admitted into USC's Graduate School (minimum of 3.0 GPA and GRE- Verbal 153 and Quantitative 144) and enrolled in the MS in Advanced Athletic Training Degree. Information on GRE can be found on [https://www.sc.edu/study/colleges\\_schools/graduate\\_school/index.php](https://www.sc.edu/study/colleges_schools/graduate_school/index.php). To be eligible for a graduate assistantship, applicants must simultaneously submit a graduate school application in addition to the graduate assistant application.
